

FCBC WEEKLY UPDATE

In this issue:

- This week at FCBC
- Senior Saints
- Coming Events
- Bloom Conference
- Spring Cleanup cancelled
- And more...

This week at First Central:

As Pastor Mark continues our series on Paul's letter to Titus, Sunday's message is, "A Time for Intolerance." Our scripture is Titus 1:10-16.

There are three ways to watch the service if you are unable to attend in person.

- You can now watch the services live on YouTube [here](#). We continue to have a Facebook page, but the livestream is now on YouTube.
- You can view the service (after the fact) on Pastor Mark's [blog](#).
- You can also view the service (again, after the fact) on the church website, www.firstcentral.church.

Resumes this month after taking the winter off.

- Our March gathering is Saturday, March 16th beginning at 11:45 AM.
- Corned beef, cabbage, carrots and potatoes as well as chicken will be provided.
- Please bring a salad or dessert to share.
- It's our Easter celebration so, ladies, wear your prettiest Easter bonnet!

Has been cancelled. Thanks to one of our hard-working trustees, all of the work has been done!

Coming Events

This Sunday, March 17, is our Membership & Baptism Class, from 4-6 PM. If you are interested in finding out more about First Central and/or being baptized, this class is for you.

The highlight of the month will center on what Jesus did for us to secure our salvation.

On Friday, March 29, at 7 PM, we will hold our Good Friday service. We will reflect on the sacrificial death of Jesus on the cross as we partake of communion.

On Sunday morning, March 31, we will turn our attention to our risen Savior.

We will have a time of fellowship in the gym at 9:15 AM.

We will celebrate the resurrection in our worship service at 10:30 AM.

Please make a note of these important dates and join us as you are able.

*...whatever is true,
whatever is noble,
whatever is right,
whatever is pure,
whatever is lovely,
whatever is admirable--
if anything is excellent
or praiseworthy--
think about such things*
